

DVEIN COURSE ROADMAP

D R E A M • D E S I G N • D E L I V E R

OUR MISSION

Empower learners with industry-relevant skills through Data, AI & Technology to build innovative solutions for the future.

**D FOR
DREAM
DESIGN
DELIVER**

Like a leaf vein,
we connect knowledge,
data and technology
to shape the future.

1. FOUNDATION

Build Strong Basics

- Computer Fundamentals
- Programming Essentials
- Data Fundamentals
- Problem Solving & Logic

2. CORE DEVELOPMENT

Build. Code. Create.

- Web Development
- App Development
- Database Management
- Software Engineering Principles

3. DATA & AI

Data Drives Intelligence

- Data Analytics
- Machine Learning
- Deep Learning
- Generative AI & LLMs

4. ADVANCED SPECIALIZATION

Go Deep. Go Advanced.

- AI Engineering
- Data Engineering
- Cloud Computing
- Cybersecurity

5. REAL WORLD IMPACT

Build. Deploy. Impact.

- Real-time Projects
- Industry Use Cases
- Internships
- Innovation Challenges

CAREER PATHS

- AI Engineer
- Data Scientist
- Full Stack Developer
- Data Engineer
- ML Engineer
- Cloud Engineer
- Product Developer
- Entrepreneur

ENABLING SKILLS (Across All Stages)

Communication

Soft Skills

Git & Version Control

Agile & DevOps Basics

Problem Solving

Leadership

DVEIN ADVANTAGE

Industry Expert
Mentorship

Hands-on
Learning

Live Projects

Certification

Placement
